## Dear Citizens:

I encourage all members of the greater community of the City of Allentown to participate in our fantastic recreational programs and special events! Allentown offers annual events over the next few months from the Halloween Parade to the New Year's Eve Celebration. Experience this year's Lights in the Parkway featuring many new displays and hundreds of thousands of brilliant

collegiate basketball, a rodeo and some of the biggest names in the entertainment field.

The City of Allentown Department of Recreation has developed new and exciting youth programs this fall through a partnership with St. Stephen's Outreach Center including youth yoga as well as art programs by the Alternative Art Gallery. The center's after school program will be enhanced by these programs which provide creative and healthy choices for youth.

During the Spring and Summer of 2014, many basketball courts were resurfaced for the enjoyment and use of the Allentown Community. Regular resurfacing not only enhances the aesthetics of the courts, but provides safer surfaces for play and extends the life of the courts.

As you page through this edition of *Adventure Allentown*, I'm sure you will agree with me that the fall and winter season is going to be an exciting time in the City of Allentown!

## Inclusive Wheelchair Basketball

All ages

Sign up for a chance to get in a wheelchair and play basketball like you haven't played before. This is an inclusive event, open to everyone, and extra chairs will be provided. Prior to playing games, attendees will listen to a message about overcoming adversity, embracing differences, anti-bullying, self-esteem building, goal-setting and living life with a purpose. This powerful message will be delivered by Rohan Murphy.

Rohan Murphy, who lost his legs at birth, began wrestling his freshman year of high school and went on to wrestle at Penn State University. In addition to wrestling, Murphy is also an accomplished powerlifter, competing in international competitions all over the world representing the USA.

Rohan has been featured in stories by ABC News and Sports Illustrated, and even starred in a Nike commercial. Now, Rohan is a professional motivational speaker who shares his gripping tale of adversity, dedication, and living life with a purpose to inspire youth across the United States.

The time and date of the event was not final at the time of publication. Interested persons should contact the Recreation Bureau at 610-437-7757 or visit [www.allentownpa.gov/parks](http://www.allentownpa.gov/parks) to download a registration form.

## Court Paving

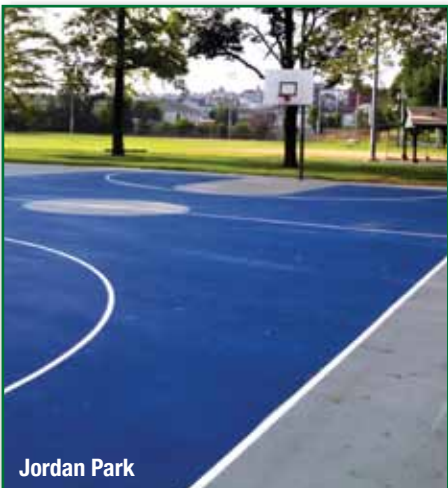

Basketball courts throughout the city received an upgrade this summer, with resurfacing and re-striping of courts at Fountain, Irving, Jordan, Jordan Meadows and Trout Creek parks. At Percy Ruhe Park, two tennis courts were converted to two basketball courts, with new fencing, backboards and nets, as well as lighting upgrades and resurfacing of the existing court. The three-court complex will provide an excellent site for the Cedar Beach Summer Basketball League, which now has four-dozen teams in six divisions.

# PARK CAPITAL IMPROVEMENTS IMPROVEMENTS

## Portable Skate Park

In late July, the department purchased a 'Park In a Cart' Kit, or portable skate park, for setup at city functions, and loan to community non-profit groups for block parties and related events. The kit contains sufficient pieces to have up to seven skating elements, including half-pipes and grind rails. Allentown-based groups should contact the Parks and Recreation Office for more information on how to borrow the kit for their event.

## Jordan Playground Plans

The department is planning for a community-built, new playground at the north end of Jordan Park. The city is working with the Pennsylvania Dept. of Conservation and Natural Resources (PA-DCNR); KaBOOM!, a national playground advocacy and funding organization based in Washington, DC; and the PA Municipal League that is holding its 2015 annual conference in Allentown. A design workshop will be held this winter to gather community input. The community build day is set for Tuesday, June 23, 2015. Volunteers should contact the park office next spring to sign up for various build duties, including playground assembly, bench installation, and related landscaping/grounds improvements.

## Trexler Hiking/Biking Paths

The lower loop of Trexler Memorial Park's walking trails was repaved, including striping for delineation of walking and bicycling lanes. This will provide a smooth surface for the 1.2-mile loop, used daily by hundreds of walkers, joggers, and cyclists.
